

Accessing your online medical record

Hillsdale Hospital provides patients access to specific health information via an online medical record.

If you are admitted as an inpatient or observation patient at Hillsdale Hospital, once you are discharged you will be able to view the following information online:

- Allergies
- Immunizations
- Active and inactive medications
- Current and past health concerns
- Limited test results

Please note, you will be able to access information from hospital inpatient stays and limited same-day test and procedure results. Information from visits to the Emergency Department, Outpatient Surgery, Infusion Center, Home Care, Radiology, Wound Clinic, Rehabilitation Services, Nutrition Education and Cardio-Pulmonary will not be available online.
