CHILDBIRTH & BREASTFEEDING EDUCATION

Our childbirth education classes empower you as an expecting parent with the knowledge, confidence and support you need during pregnancy, labor and after the birth of your baby.

What You'll Learn

You'll gain in-depth knowledge of:

- Pregnancy
- Labor and delivery
- Comfort techniques
- Newborn care
- Postpartum care
- Breastfeeding techniques and support program

Receive a complete tour of our state-of-the-art birthing center, which offers private rooms with whirlpool tubs and flat-screen TVs, 24-hour anesthesia coverage, telemetry to encourage mobility and a daddy desk.

It is recommended to take the class between the 28th and 38th week of your pregnancy.
